CAREER OBJECTIVE

- Beginning my professional journey in computer engineering, I am excited to apply my technical knowledge and enthusiasm to collaborate on challenging projects, drive progress, and support the goals of a progressive company.

PROJECTS

- I create easy-to-use portfolio websites that look great and tell a story of professional accomplishments.
- I create a main landing page, about page, contact page, and navigation bar for seamless portfolio website navigation.

DECLARATIONS

- I hereby declare that all the above information is true to best of my knowledge.
